

1st 2023 virtual meeting of the PReS MAS/sJIA working party

Feb 14th, 4-6pm (CET)

The PReS MAS/sJIA working party core team invites you to join the **1st virtual WP meeting in 2023!**

With all of you we want to **discuss ongoing projects** and get your input on new initiatives.

Our project-dedicated discussion will be followed by **two educational talks** of two outstanding international experts:

Dr. Peter Nigrovic (Boston, USA):

The conundrum of lung disease in sJIA

Dr. Michael Jordan (Cincinnati, USA):

Hyperinflammation in HLH. The hematologist's perspective

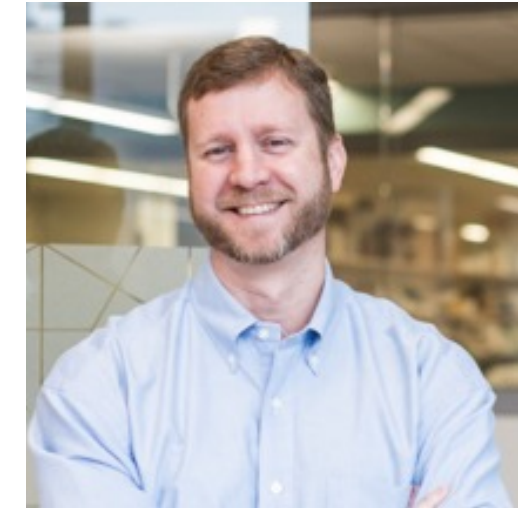

Welcome!

Claudia, Francesca, Bas and Christoph

Peter A. Nigrovic, MD

Chief, Division of Immunology
Boston Children's Hospital
Professor of Pediatrics
Harvard Medical School
Director Center for Adults with Pediatric Rheumatic Illness
Brigham and Women's Hospital
Director Joint Biology Consortium

Michael B. Jordan, MD

Professor of Pediatrics
Department of Pediatrics
Cincinnati Children's Hospital.
Cincinnati, OH, USA

Please register **here** for free to obtain dial-in information:
